Dreamland Arts was remodeled in 2005-2006 from an electrical contractor's shop into a fully-equipped, accessible 40-seat theater. The owners, theater artists Zaraawar Mistry and Leslye Orr, live in the attached house.

"Ah, Dreamland Arts. Leslye Orr and Zaraawar Mistry's wonderful performance space on leafy Hamline Avenue in St. Paul. Intimate – I'd be amazed if it seats more than 50 – comfortable, perfect. I adore it."
